

Washington - Today, Congressman John Olver (1st District) announced that he will co-sponsor

"Consumers should be able to choose locally produced milk, and Northeast Dairy Compact

The Northeast Dairy Compact, originally sponsored by Olver, is an interstate commission

The bill that Olver has co-sponsored would make permanent the Northeast Dairy Compact

"I think we've got a good coalition of both Democrats and Republicans that support the

Members from Wisconsin and other dairy-producing states in the Midwest have long

"One of the keys to success will be gathering enough support to get the bill out of committee

The bill was passed out of the Judiciary Subcommittee on Commercial and Administrative
